

## ➤ LockSign

A sign system in classic design and sturdy material with a unique lock system

# DanSign

## Design

This sign system is of classical and simple design, supplied in the colours of your choice for any environment.

## Choice of Material

An extruded aluminium profile is pushed onto a cast mounting bracket. The choice of material makes the system suitable for indoor as well as outdoor environments.

## Lock System

The magnetic lock system is simple. A hidden spring lock integrated in the mounting bracket is activated by the magnetic key.

## Mounting of Sign

To mount a sign is easy. The sign is pushed onto the mounting bracket and is locked so that it cannot be removed by unauthorized persons. It is released by use of the magnetic key.

Wall sign

Meeting room signs

A5 Paperflex sign

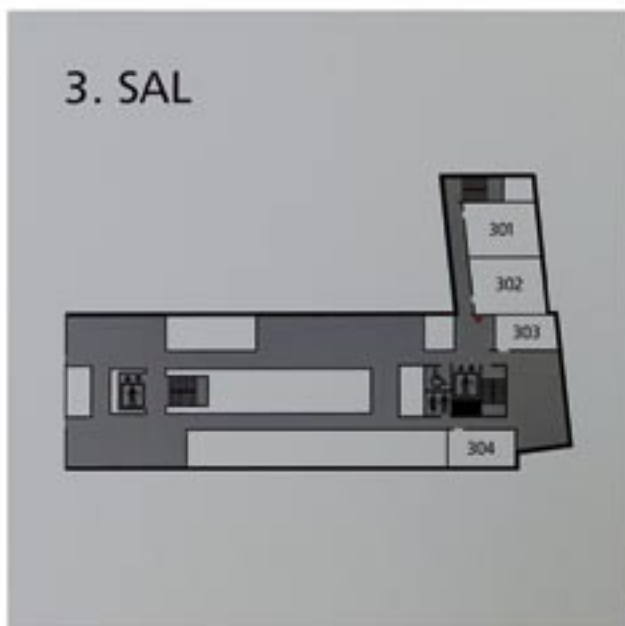

Wall sign with Braille

In the LockSign program you will find:

- » Wall sign, projecting sign, suspended sign, meeting room sign and desk sign.
- » Paperflex sign for standard paper sizes for your own quick updating of information.
- » Monolith as an info stand.
- » An electronic information system as wall sign, suspended sign and monolith. Built-in flat screen and display controller. Internet-based system for distribution of meeting room activities, welcome to guests, slideshows, etc.

LockSign is a classic sign system. A comprehensive range of sign types and sizes can be combined in countless ways creating a uniform sign system for all indoor and outdoor environments.
