*Sectional Lounge Chair System for Corrections*

By

**CORTECH**  
USA  
"Solutions for the Correctional Environment"™

## The Sabre Chair is a sectional lounge chair system that is ideal for continuous, intensive use in correctional environments!

The Sabre Chair has an EXTREME load capacity and designed to stand alone or be ganged together. The ergonomic design provides maximum comfort using rotational molding technology.

### FEATURES:

- A 10 Year Warranty\*
- Durable, one piece, rotationally molded design for increased strength. Constructed of high impact "no break" UV stabilized polyethylene. No steel or wood components.
- Can be used as stand alone or be ganged together.
- Can be bolted together, in place, as well as to the floor via concealed pilot holes.
- Can be easily filled with sand through ballast door on site to weigh down. Secures with tamperproof screws.
- Manufactured to ISO Quality Standards in the USA.
- Chemically resistant to all stains.
- Easy to clean and maintain.
- Flame Retardant (passes Cal 133).\*\*
- 1500 lb. static load.\*\*

\*Warranty valid on manufacturing defects only.

\*\*Test reports available upon request.
