Store sheets, blankets, gowns, meds, bandages, catheters, suture packs, and all types of small items for quick and easy access.

Wire Baskets for Dispensing

Enclosed Side Carts with Velcro Covers

Catheter Cart with Bins

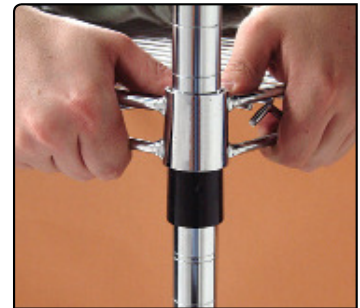

Slanted Shelf Suture Cart

Wire Shelving Assembly is very simple.

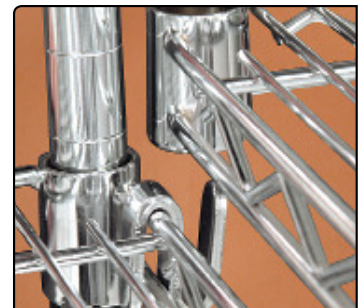

Posts have location grooves which are numbered on 1" increments.

1. Snap plastic sleeve around post.

2. Slide shelf over sleeve for secure locking.

3. Two "S-Hooks" are used to connect starter and add-on wire shelving units.
