

Make yourself
comfortable.

GRAND RAPIDS

CHAIR COMPANY

Perfect in any setting.™

991BS-P

991 Chair with Orbit Table

Feel-good furniture.

Felix is a collection of chairs and stools united by a patented dual-flexing back that delivers long lasting comfort. Available in wood or laminate, Felix offers near infinite personalization options so that you can really get creative. It's the ideal solution for making people feel welcome in cafés, restaurants and casual meeting areas.

Features

- Dual-flexing shell for long-lasting comfort
- Seat shell is available in all of our standard wood finishes and five laminate options for added durability in high-use settings
- Convenient, discreet handhold for moving or stacking chairs
- Optional casters available
- 18", 24" and 30" seat heights
- Seat and back upholstery options
- Plastic molded arm set back for optimal comfort

Construction

- Shell made with 13 layers of face-grade veneer
- 14 gauge steel frame and legs
- Meets and exceeds ANSI/BIFMA and CAL 117 standards
- Customized laminate finish options available, call for quote
